PARKING REGULATIONS

Violation of any of the following regulations or amendments thereof, shall, at the option of the DPS, terminate this Agreement

The DPS reserves the right to amend these Regulations in full or in part from time to time as the needs of the DPS may require. Written notice of amendments will be posted in each permitted parking lot and/or placed on Permit holders' vehicle(s).

ARTICLE I: PARKING RESTRICTIONS AND ENFORCEMENT

1.1 Place of Parking.

There are no assigned parking spaces in any of the parking lots. Permit holders may park in any available designated (single) parking space, with the exception of "Reserved" or "Handicapped" parking spaces. Reserved or Handicapped parking spaces will have appropriate signage posted by the DPS only. No Reserved parking spaces will be provided for monthly Permit holders unless approved by the DPS. One rental agreement signifies one (1) single parking space. Permit holders' parking more than one vehicle within the designated premise, without multiple lease agreements on file, will have their lease terminated. **If a permit holder parks a vehicle without a permit displayed, they may receive a Parking Ticket. The Parking Ticket will not be voided. The permit holder will need to park in an hourly space and abide by the timed restrictions. If the permitted vehicle will be unavailable to be driven and parked, a temporary permit can be obtained.**

Permit holders desiring to drive a different vehicle periodically, may obtain a permit that can be placed on both cars. Both cars can not be parked at the same time in DPS lots. (Limited supply available)

1.2 Parking Hours. Permit holders may utilize the above designated parking area during the posted operational hours of 7am to 5pm, Monday through Friday.

1.3 Parking Restrictions. DPS reserves the right, at its discretion, to temporarily deny Permit holders' access to the parking lots. Reasons for denying access include, but are not limited to, use of the parking lots for special events, for construction and maintenance on parking facilities, or inclement weather.

1.4 Parking Enforcement. Vehicles found parking in an area and/or space other than specified in this Agreement may be ticketed and/or impounded in accordance with applicable law. Tickets for parking in a reserved space without the permission of the lessee of the space carry a fine of twenty dollars (\$20.00). In the event your vehicle is ticketed in error, please contact Downtown Parking Services in City Hall at (540) 432-8928.
