## HFD responds to early morning structure fire

HARRISONBURG, Va. – The Harrisonburg Fire Department (HFD) responded to a two-alarm fire this morning at Frazier Quarry.

Units first arrived on the scene off of Waterman Drive just after 7 a.m. to discover heavy fire showing through the roof of a large storage building. Access to the building was difficult due to its distance from the road and hydrants, and a second alarm was struck on arrival, shortly after the call was dispatched.

The fire has been extinguished and the situation was marked as under control at 8:05 a.m. There were no firefighter or civilian injuries, and estimated losses to the building and its contents are estimated at approximately \$200,000.

“Crews made a quick, aggressive exterior attack to contain the fire to the building of origin and keep it from spreading to the exposures,” HFD Fire Chief Ian Bennett explained.

HFD was assisted by Rockingham County Fire and Rescue, Harrisonburg Rescue Squad and Harrisonburg Police Department. The fire remains under investigation.

*The Harrisonburg Fire Department is an ISO-Class II All-Hazards agency providing essential emergency and non-emergency life safety services to the public who live, work and travel in Harrisonburg.
