Trash collection delayed due to winter weather

HARRISONBURG, VA – Trash collection for Friday, Feb. 19, is incomplete, with completion delayed until Monday, due to winter weather.

Harrisonburg Public Works trash collection for Thursday and Friday was planned for today, but sanitation crews were unable to reach all customers on the two days of routes due to road conditions and the amount of refuse out for collection. If a customer's regularly scheduled trash pick-up for today was missed, crews will collect it on Monday, Feb. 22.

Harrisonburg Public Works appreciates customers' patience as sanitation crews catch up following this week's weather. Customers should have their trash set out by 7 a.m. on Monday, but no earlier than 4 p.m. the day prior.

The City of Harrisonburg is centrally located in the Shenandoah Valley of Virginia. It is home to approximately 54,000 people. More information about the City of Harrisonburg is available online at www.HarrisonburgVA.gov
