Crews to conduct bridge rehabilitation projects across city starting Thursday

HARRISONBURG, Va. – Crews will soon begin improvement projects on four bridges in Harrisonburg as part of rehabilitation projects.

Bridge repairs will begin Thursday, May 26, on West Rock Street near North Liberty Street. Improvements will then continue on South Liberty Street between Route 33 and Water Street, North Liberty Street between Elizabeth and Wolfe streets, and Stone Spring Road between South Main Street and Beery Road.

Impacted roads and bridges will remain open to traffic throughout the duration of the project, though temporary lane closures may take place.

The bridge rehabilitation projects will be completed in late June.

Crews will soon begin work on a bridge rehabilitation project on West Rock Street (above) near North Liberty Street as part of an ongoing series of such projects. Some temporary lane closures may take place during work, though roads will remain open to traffic.

*The **City of Harrisonburg** is centrally located in the Shenandoah Valley of Virginia. It is home to 51,000 people. More information about the City of Harrisonburg is available online at www.HarrisonburgVA.gov.*
