## Norfolk Southern Railroad Maintenance to Take Place in Harrisonburg

HARRISONBURG, Va. – Planned railroad maintenance by Norfolk Southern will impact travel in Harrisonburg starting Thursday.

The project will include significant “side street” (east/west) temporary road closures from East Gay Street to Charles Street including Kratzer Road, Washington Street and Liberty Street.

A schedule of railroad maintenance work provided to Harrisonburg Public Works by Norfolk Southern is as follows:

- June 8 to 21: Kratzer Road railroad crossing maintenance
- June 13 to 16: Washington Street and Liberty Street railroad crossing maintenance

Detour signs will guide travelers on North Main Street from East Gay Street stretching to Charles Street. Northbound Liberty Street travelers will be detoured at Edom Road to Route 42 and southbound travelers will be detoured at Charles Street.

Those traveling through this area are strongly advised to utilize Route 11 and Route 42 as much as possible to avoid congestion during the project timeframe. Neighboring residents and businesses should not be affected by the temporary road closures.

*The **City of Harrisonburg** is centrally located in the Shenandoah Valley of Virginia. It is home to approximately 55,700 people. More information about the City of Harrisonburg is available online at [www.HarrisonburgVA.gov](http://www.HarrisonburgVA.gov).*
