Harrisonburg, Va. – The Harrisonburg Police Department Major Crimes Unit is currently investigating a commercial burglary that occurred in the early morning hours of March 12. Officers were dispatched to a burglary report that morning at the Rolling Hills Antique Mall when employees arrived and observed the damage.

It appears the suspect gained entry to the business shortly before 4 a.m. The suspect was able to smash two jewelry cases and left with an undisclosed amount of antique jewelry.

The suspect is described as a white male wearing a black hooded sweatshirt and black sweatpants. He appears to be around 5'10" to 5'11" and weighs around 220 pounds. The male's face is covered by a face mask and only allows the suspects eyes to be seen. The suspect is also carrying a black duffle bag with wheels.
