

NORTHEND GREENWAY HARRISONBURG, VA

MONROE TO NOLL OPEN HOUSE

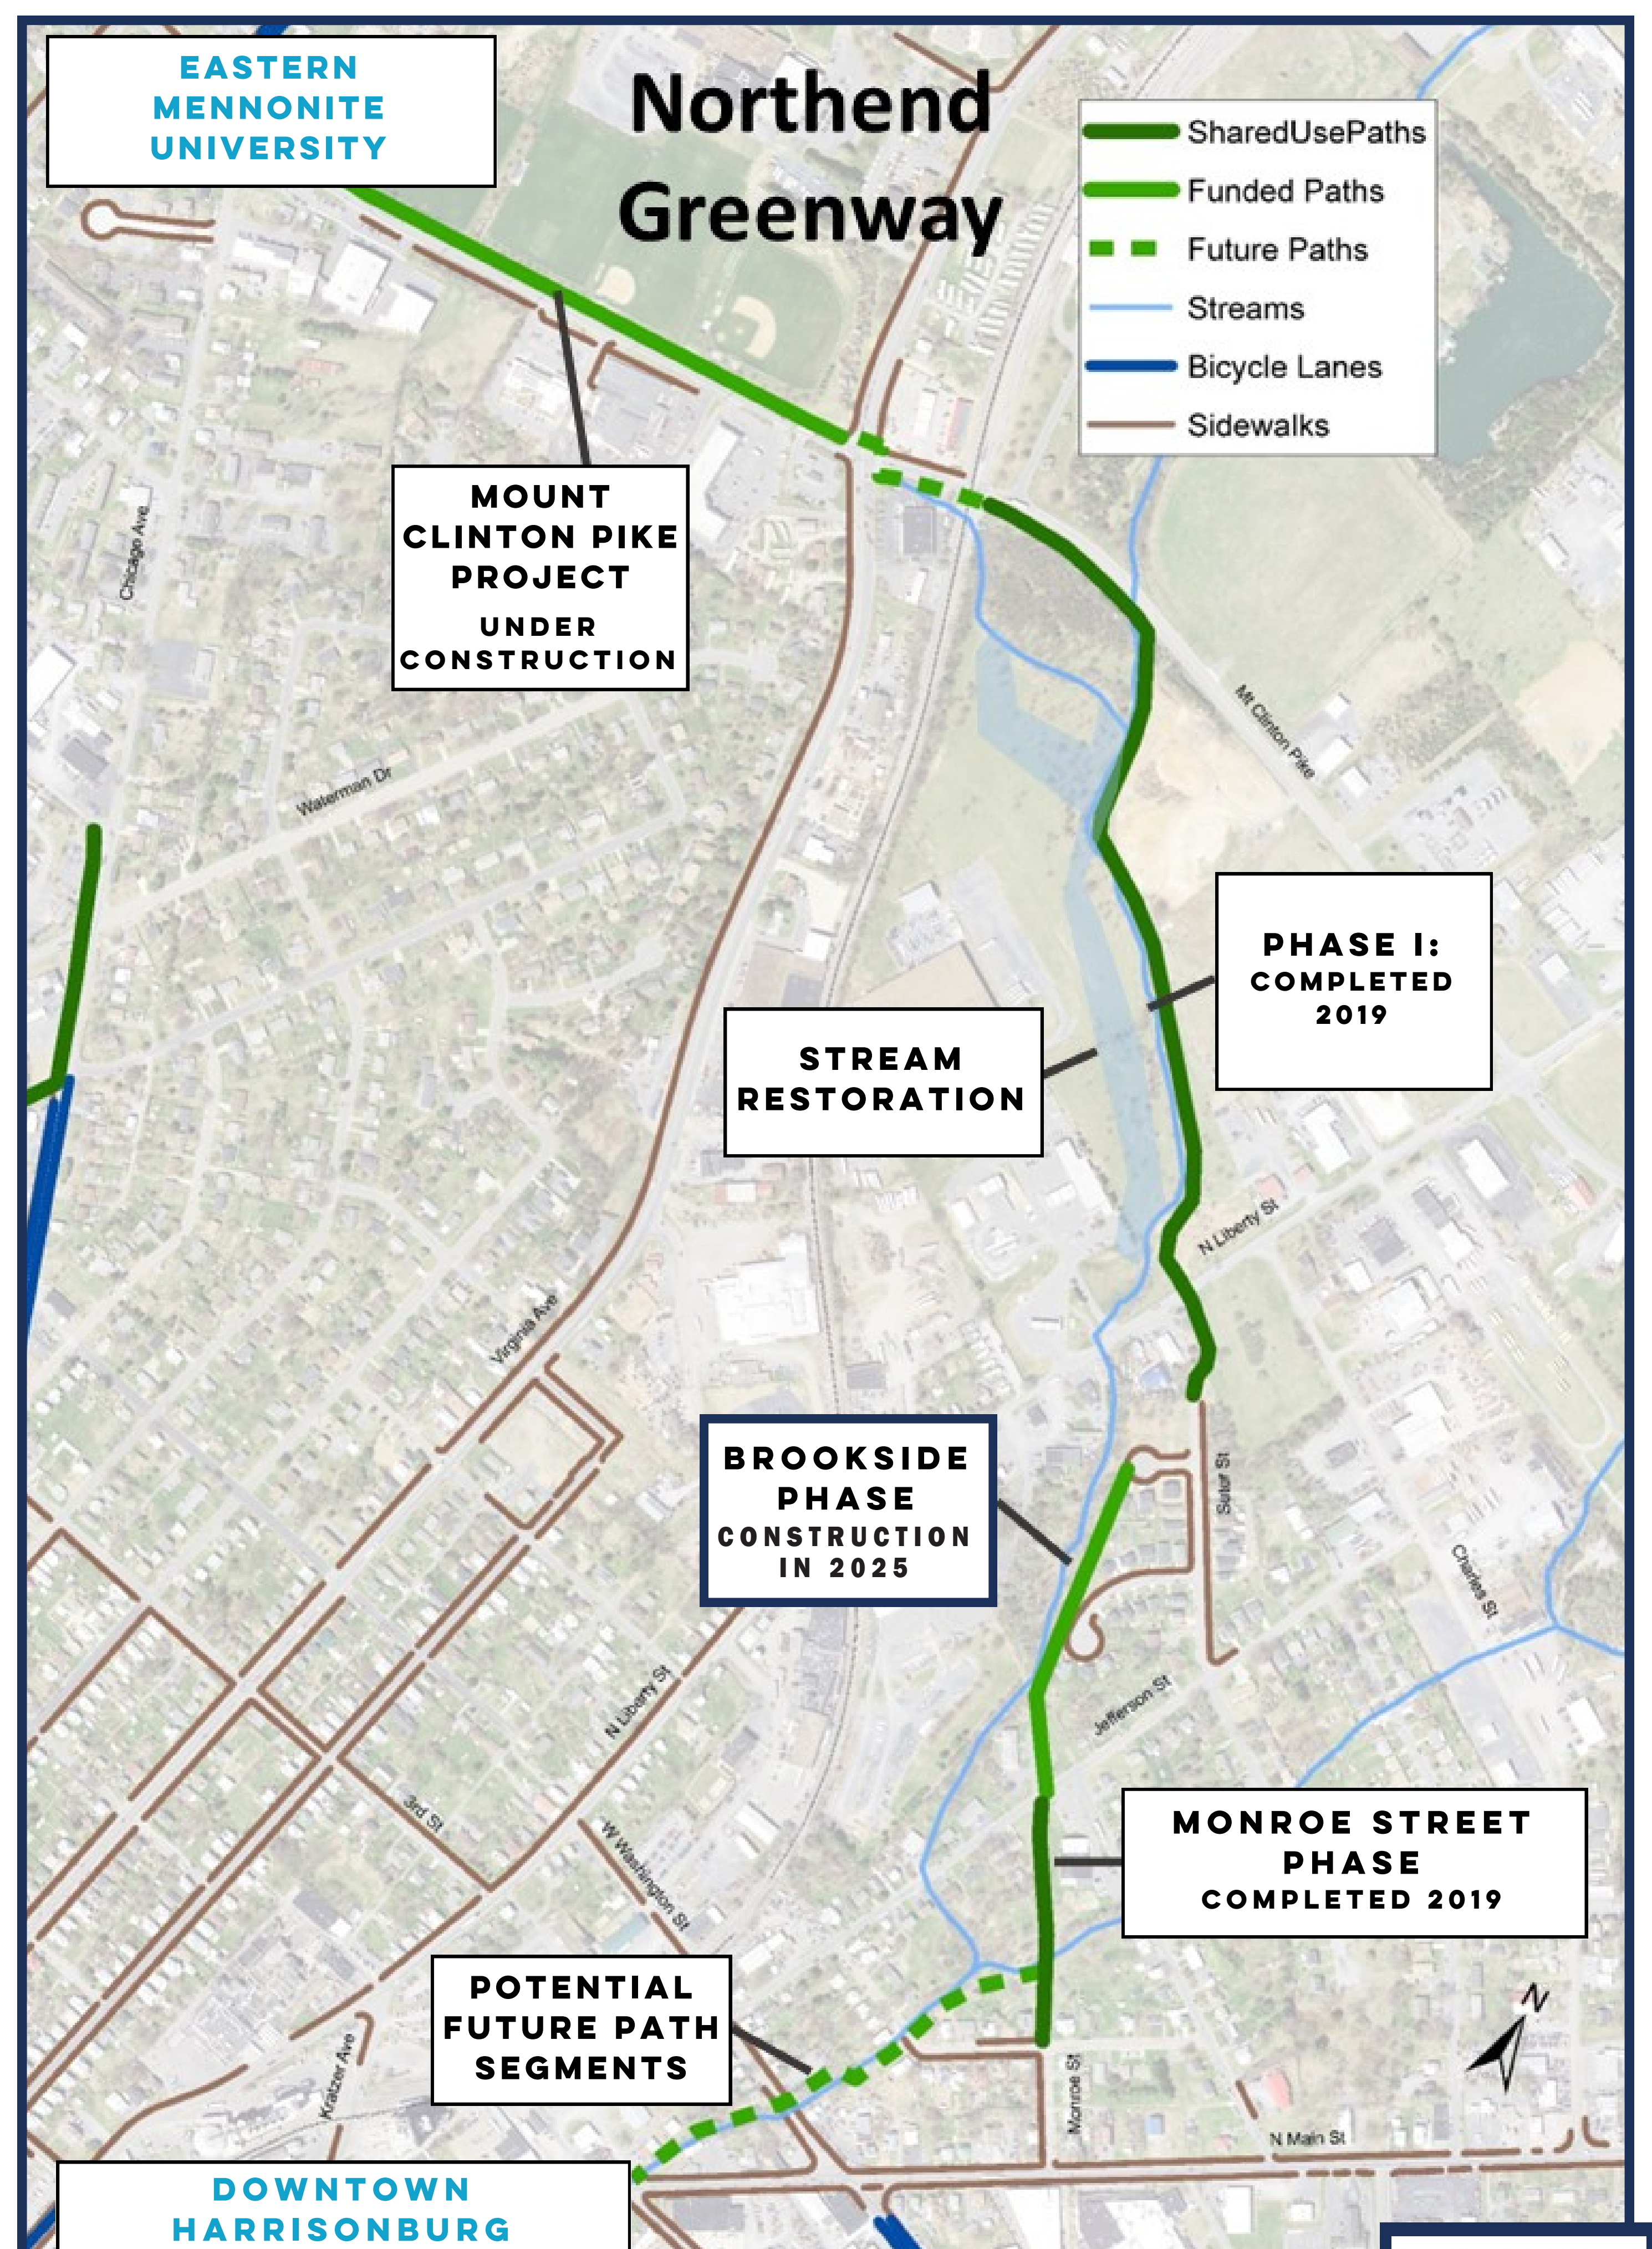

SEPTEMBER 5, 2024

THE LOFT AT LIBERTY STREET MERCANTILE

4:00 PM - 6:00 PM

Welcome to the Northend Greenway Open House!

- There are two sets of identical boards on either side of the room.
- The boards display 3 concept alternatives for the section of the Northend Greenway from Monroe Street to Liberty Street (shown as "Potential Future Path Segments" at the bottom of this map).
- We appreciate your comments on the alternatives, and we would like to know which alternative you prefer.
- All of the alternatives are conceptual, and would need to undergo detailed design prior to construction.
- At this point, the City does not have funding for design or construction; we will use your input to help select a preferred alternative and pursue grant funding.
- The City has already held initial discussions with property owners and businesses. If an alternative is pursued that would impact property owners or businesses, the City will coordinate with such stakeholders regarding impacts and changes.
